

# Timetosser

## *Quickstart guide*

### 1. Setting up

Please find all cables in the accompanied travel case. Scan the QR code to watch our online video "Setting up your Timetosser".

(<https://www.youtube.com/watch?v=vfz1QgsPoao>)

### 2. Playing Timetosser

Rhythmically restructure any connected audio signal by playing the top row. Return to the O-step after each pattern played. Examples of this can be found on our YouTube channel.

### 3. Support & Downloads

Download the full manual and audio plugin at our support page: [www.alter.audio/support](http://www.alter.audio/support)  
Here you can also find more links to tutorial videos and demos by featured artists.
